

Autumn in Year 6

Our Autumn Topic Changing Power

As geographers...

We will learn about a large settlement in the UK. We will use Digimap for Schools to find out where the settlement is in the UK. We will use a key to discover the settlement's human features and land use and will view maps at different scales and use four and six-figure grid references to locate key geographical features.

As historians...

We will start our topic off by looking at the Changing Power of the Monarchy and how this influenced Britain.

We will also celebrate Black History Month and learn all about Nelson Mandela and how he rose to power.

Trips

We will be studying Gothic writing as part of our English topic, so we will be visiting Brompton Cemetery to help inspire our writing and create a bank of descriptive vocabulary to create atmosphere.

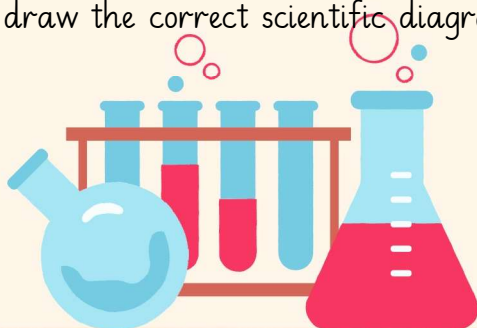

As scientists...

We will be learning about living things in Autumn 1 and Electricity in Autumn 2.

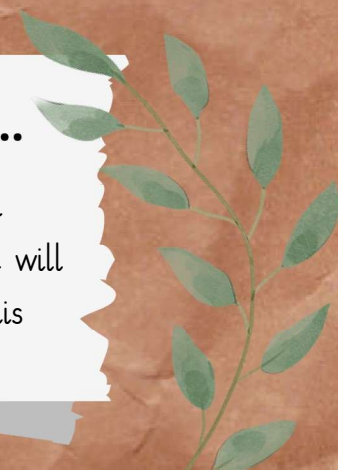

During our lessons about living things, we will learn what the conditions for life are and how we can organize and classify them.

During our lesson about Electricity, we will recap on the different circuits we can make, learn how we draw the correct scientific diagrams, learn about

As individuals and part of society...

We will be talking about the 4Rs and how to incorporate these in to our lives at school and as part of society. We will learn about Human Rights, respecting others and how this can keep us safe.

As athletes...

We will be playing Hockey and practicing our Gymnastics skills. We will also be working on our balance while sitting and standing.

As theologists...

We will be learning about the bible and find out what life beyond Christianity, Judaism, Islam, Hindu Dharma, Buddhism and Humanism means?

As musicians...

We will be looking at creating our own Dragon Beats and using the Chromebooks to create music. During Autumn 2 we will also be rehearsing for our Christmas performances.

As computer technicians...

We will be discovering what is flat file data and how to use it and we will also learn about spreadsheets and be able to produce our own spreadsheets by the end of term.

As artists...

We will use our skills to create pieces work that use Chromatics and discover the different ways that colour can be represented.

We will also be designing our own night lights during our DT lessons.
